

Care and Maintenance

Alumishade, Alumipan, Alumiscape, Alumishutters, Alumiola, Alumitecture

The products above only need to be cleaned as required. Do not use any abrasive chemicals/cleaning solutions that may leave/cause burrs or sharp points in the aluminum material or damage/scar finish of the materials. Cloth with mild detergents and water to be used to wipe frames down and if necessary dry with clean cloth.

Do not install banners or any other permanent or temporary signage to the products specified above.

In the event further service is required please contact Four Season Awning at one of the options shown below.
